

**Log In page**

The image shows a graphical user interface for a patient registration system. The window is titled "ABC hospital(pvt.)" and has a menu bar with "File", "Help", and "About". There are three tabs: "Register", "Add Patient details", and "Show Patient details". The "Register" tab is currently selected. The form contains the following fields and controls:

- Name:** A single-line text input field.
- ID:** A single-line text input field.
- Disease:** A single-line text input field.
- Age:** A single-line text input field.
- Gender:** A single-line text input field.
- Height:** A single-line text input field.
- Weight:** A single-line text input field.
- Blood type:** A single-line text input field.
- Ward No:** A single-line text input field.
- Bed No:** A single-line text input field.
- Description about Disease:** A multi-line text area.
- History of Disease:** A multi-line text area.
- INSERT:** A button located at the bottom center of the form.
